

Action taken report by Internal Quality Assurance Cell 2022-23

The feedback on our curriculum was gathered through a variety of channels, including student surveys, employer surveys, alumni surveys, faculty surveys, and discussions during IQAC sessions. The primary areas of feedback were as follows:

Relevance: Students expressed a desire for courses that directly relate to current industry practices and technological advancements.

Interdisciplinary Approach: Many students appreciated interdisciplinary courses but suggested a need for more seamless integration and practical application of concepts.

1. Action Taken:

Curriculum Revision: An extensive review of the existing curriculum was conducted with a focus on updating courses to align with emerging industry trends and technological advancements.

Interdisciplinary Modules: Efforts have been made to create more interdisciplinary modules that integrate concepts from multiple disciplines, providing students with a holistic learning experience.

2. Conclusion:

In conclusion, the IQAC of Adamas University recognizes the imperative of a curriculum that is not only responsive but anticipatory of the needs of our students and the demands of the professional world. The feedback received has been instrumental in guiding our actions to enhance the learning journey for our students.

Through the actions, we are confident that our curriculum has been enriched to better equip our students with the skills, knowledge, and experiences necessary for successful careers. We are committed to fostering an environment where learning goes beyond the classroom, preparing students to be adaptable, innovative, and socially responsible professionals.

Moving forward, we remain dedicated to the continuous improvement of our curriculum. Regular evaluations, feedback loops, and industry collaborations will be integral to ensuring that our offerings remain at the forefront of educational excellence.
